

Hunjun Shin

From South Korea, Seoul
MSDS Northeastern | BS in Chemistry, Korea Military Academy

I was dissatisfied with my former company's website, which had a poorly categorized product list and unclear about the availability of shipping.

I took the initiative to redesign it for better usability.

I'm a fan of modern chat AI interfaces because they are so intuitive and efficient.

I was Army Officer at South Korea. I love tennis. I love traveling around the world.
